At the Papingo:

The archers managed to complete 4 rounds and shot 158 arrows in the 2 hours.

Ann Todd of **Killingworth Archers** knocked off 'The Doo' with her very first arrow, the 22nd arrow of the competition and was awarded **The Walker Rose Bowl** and a gold medal.

Then followed some very near misses especially by the six stalwart members of **The Bowmen of Bosworth**, but we had to wait until the 126th arrow when **George Blyth** of **Bannockburn Bowmen** gained a rosette for hitting the **left** wing of the poor wee bird.
