

Eastern Area Team Selection 2017

There are two opportunities to shoot for the Eastern Area team, the Pentangle and Midsummer Team Shoot.

If you are interested in shooting for the Eastern Area team, please send your top 2 720 scores and your best 1440 score, with results sheets, to the Eastern Area President by the 14th May 2017, confirming which events you are available for.

The three scores can be from either the 2016 outdoor season, or the current 2017 season.

If you do not have 3 scores, but still wish to be considered for the team, please get in touch detailing the circumstances and we will consider the request.

Representing the Eastern Area team will be self funded, however the Area will cover your entry fee for the Midsummer Team Shoot.

The Pentangle is a historic competition which Eastern Area is hosting this year between the 3 Scottish Areas, DNAA and Cumbria. The Eastern Area Team has the potential to do very well if a full team for each category can be found.

The format will be different this year with the Pentangle being incorporated into the second day of the Penny Challenge which will be on the 18th of June as a 1440.

Teams are made up of 3 archers in each category (recurve, compound and longbow). However 4 archers for each category will be selected with the top three making up the team.

The Midsummer Team Shoot will be on the 24th and 25th of July with a team consisting of 3 archers for each category (recurve, compound, male and female). The weekend will require each member of the team to shoot a 720 followed by team head to heads (take a look at World Archery's youtube channel if you are unaware of what this involves) and then a 1440 on the next day.

There is the opportunity to send 2 teams for each division (male, female, recurve and compound) so we are looking for 6 archers for each category.

Eastern Area Team Shirts

Any archer who has been selected to shoot for the Area Team, has shot for the Area before or is in the Development Squad, can purchase an Eastern Area Shirt. These can be worn at any time, but looks good if as many team members can wear them during the Pentangle, Midsummer Team Shoot and Eastern Area Championships. Please contact the Eastern Area Committee to order one. They cost approx. £30 each.
