

Eastern Area Team Selection 2018

Eastern Area will be sending a team to the 2018 Midsummer Team Shoot, at Lilleshall National Sports Centre. Please register your interest as soon as possible by emailing eastofscotlandarchery@gmail.com. All Eastern Area members are eligible for the teams.

Send your date of birth, and Archery GB number along with your top 2 720 scores and your best 1440 score, with results sheets, to eastofscotlandarchery@gmail.com by 1pm on the 21st of May, with the team to be announced by the 23rd of May. The three scores can be from June 2017 outdoor season onwards, including the current 2018 season.

If you do not have the 3 scores, but still wish to be considered for the team please get in touch detailing the circumstances and we will consider the request. Representing the Eastern Area team will be self-funded; however, the Area will cover your entry fee for the Midsummer Team Shoot. Arranging travel and accommodation are down to the team members themselves.

The Midsummer Team Shoot will be on the 30th June and 1st of July, with a team consisting of 3 archers for each category. The categories in which we can send teams are Recurve, Compound and Longbow, teams must consist of three archers of the same sex. The weekend will require each member of the team to shoot a 720 followed by team head to heads (take a look at World Archery's youtube channel if you are unaware of what this involves) and then a 1440 on the next day.
