

***Tournament Organiser Judge Request Form –  
Updated September 2017.***

The cost of a judge is £5 per day up to a maximum of 3 judges - as of December 2015. This charge is capped at £15 per day.

Judges for your tournament will be costed according to the following guidelines and a £15 fee per day will be charged in these circumstances – no matter the number of targets. In certain circumstances such as regional championships, more judges may be allocated due to the complexity of the shoot.

All OUTDOOR shoots – 3 Judges

All INDOOR shoots – 2 Judges

The charge levied by the SAA for the provision of judges excludes the normal travelling expenses that are provided by the shoot organiser.

The information required by the Judge Liaison Officer is contained on page 2 of this document. Complete and return the form along with the appropriate fee to me at the given email address and I will make the necessary arrangements and inform you as soon as possible of who is allocated to your tournament. **Please note that you can add all of your requested competitions for the year onto the one form.** The tournament organiser is responsible for ensuring that the payment for the judges is submitted before the start of the tournament. Cheques should be made payable to the SAA. If payment is not received prior to the day of the competition the judge(s) will not attend the event. **All competitions that wish judges needs to submit a judge request form. If this is not done then your request for judges maybe refused.**

**Please note that all judge allocations have moved to our online calendar system. This system is updated on a real time basis.**
