

## ***Tournament Organiser Judge Request Form***

The cost of a judge is £7.50 per day up to a maximum of 3 judges - as of March 2008. This charge is capped at £22.50 per day.

Judges for your tournament will be costed according to the following guidelines except if the shoot is a Record Status event where the rules state that there must be a minimum of 3 Judges and a £22.50 fee per day will be charged in these circumstances – no matter the number of targets. For certain tournaments one judge may be acceptable however the general guidelines that should be applied are: -

All record status shoots (SRS, UKRS, WRS) – 3 Judges  
Non-Record Status – 2 Judges

The charge levied by the SAA for the provision of judges excludes the normal travelling expenses that are provided by the shoot organiser.

The information required by the Judge Liaison Officer is contained on page 2 of this document. Complete and return the form along with the appropriate fee to me at the given address (e-mail or post) and I will make the necessary arrangements and inform you as soon as possible of who is allocated to your tournament. The tournament organiser is responsible for ensuring that the payment for the judges is submitted before the start of the tournament. Cheques should be made payable to the SAA. If payment is not received prior to the day of the competition the judge(s) will not attend the event. **All competitions that wish judges needs to submit a judge request form. If this is not done then your request for judges maybe refused.**
