A printed copy of the results sheet & original score sheet must be enclosed with this claim form which must then be sent to The SAA Records Officer within one calendar month.
 NB. If shoots are outside Scotland, proof of the shoot's record status should be provided, for example, a copy of the entry form.
 If the archer is claiming a UK Record or higher, it is understood that the original score sheet must be sent for the higher claim, therefore a copy of the score sheet will suffice for the SAA Records Secretary.
