

Scottish Archery Indoor Face to Face
Sunday 10th February 2019 **Mearns Academy Campus, Laurencekirk**

Mearns Academy campus hosted the 4th Scottish Archery Indoor Face to Face on Sunday 10th February. The tournament was developed by local coach and tournament organiser Alan Wood so that archers of all levels could experience shooting in a match play tournament similar to that done at international level. There were a total of 54 archers from all over Scotland competing in 9 divisions, ranked by ability, of 6 archers each. Each archer in a division shot in matches against the other 5, gaining points for each match won or drawn. Inevitably this resulted in archers with the same number of points so, to set the final placings, some archers went into a shoot off which certainly gave an exciting finish to the tournament. Thanks to a strong entry of top archers we were able to run 2 championship divisions for recurve and compound.

The Mearns Archers club was only formed 5 years ago so it was a tremendous honour to continue be selected as the tournament host. Members did the club proud by taking several medals. A big thank you to all the local archers who helped with the organisation of the tournament and our judges for their hard work.

Any one who would like more details of the tournament format, timing, etc please contact Alan Wood
