AOB

(i)The Area affiliation was raised to £2.00 at last years AGM. It was an oversight that only £1.00 was collected this year, but given the situation with Coronavirus, the committee were happy to accept 50% of the affiliation for this year. **Next year the affiliation fee will be £2.00**

(ii) there was concern raised that we do not have direct contact with our members, Adelle Fleming will discuss with Scottish Archery to find a solution

2020 Vice Presidents Report

. What a strange and difficult year! I hope all of you have coped with such hard times and the loss of archery for much of the year and the sudden loss of our competition calendar! The year got off to a very good start with the SAA away day, attended by myself and Phyllis, where we looked at the Role of the Areas and talked about how we could work together more closely.... Maybe next year! Competitions were also limited by Corona virus. In January, Steven Havranek and Carol Anne Seez won Scottish Barebow Championships, closely followed by Gareth Fleming winning Scottish Disability recurve championships and Mike Pearson winning Scottish disability barebow championships. In the Scottish indoor Championships, our Ladies did well. Gillian Imrie won Ladies Recurve and Beth Martel won Ladies compound. Sadly, our indoor and outdoor championships were

cancelled as was the archery calendar for the rest of 2020 . We have struggled a little with the resignation of our President Mike Brockington in December, and our Secretary Elaine Pearson in January, but both positions should be filled by the end of the AGM. We also had plans in place for both squad and a coaching day, but again, these had to be cancelled! Coronavirus moved much of what was happening in the area onto Facebook, and I hope that the content has helped our members to stay archery fit when they couldn't shoot, and also has been a bit of a diversion to lockdown! Here's looking to 2021 and the hope that archery becomes a little bit more as we would like it to be.

Adelle Fleming Vice president
