For seniors this would be 1st class and Bowmen and the East area team would draw on this, but other archers who set qualifying scores would also be considered for team Especially County team Championships as this was a high level GB event. For juniors this would be for those keen to progress and outgrowing club coaching. . It is important that those progressing to squads are already established competing archers.
For those not yet at that level, there is Phyllis' coaching day
- 3 Hubs were discussed. Four areas considered were Falkirk, Penicuik, EUAC and Balbardie. It was decided that Balbardie was a sensible place to start.

- 5 Outdoor camps would be organised by Balbardie. The format would be a 720 and head to heads on the Saturday (Balbardie open) and a 1440 (East area champs) on the Sunday
