1 The secretary's report was circulated and is attached at the end.

2 Treasurers report.

- * We have the same number of archers in the East area as last year.
- * We have run 4 events each making a profit, and the Field come and try also made a small profit, which allowed a small payment (£15) to be made to the East area team for travel costs to the pentangle, and entry fees to be paid for the pentangle and county team tournament.
- * It may appear that there has been a small loss, however this was due to £400 hall invoice still needing to be paid for last year.
- * Online banking is almost sorted now
- * Balance sheet available at end of minutes. Financially, it has been a good year- £806 in affiliation fees.

3 Presidents report

- * Thanks to Moira Taylor for her work with the development squad
- * The pentangle team
- * Lance for organising the Junior/Novice showdown
- * Congratulations to the Ladies compound team who finished First in the county team tournament. Overall when our team totals were added together we finished third, a tremendous success.
- * Congratulations to our members who had shot for GB, Hope Greenwood, Harrison Ooi, Pip Tucknott and Victoria Barby.

* The president thanked the rest of the committee for their support and also Martin Symonds for his time as vice President.

Secretary's Report Scottish Eastern Area Archery 10th November 2016

The EA board held 2 meetings in 2016. The meetings were held by Skype to cut down costs, These meetings focused mainly on planning EA activities for the next 12 months and selecting teams for the pentangle which was held in Cumbria and the AGB counties team shoot. Minutes are on the East area page of the SA website.

I want to thank all of the people who have put time and effort into EA Archery in the last 12 months to put on the following;

- Running EA Indoor and Outdoor Championships, Tina James, Indoor and Josie and David Herd Outdoor.
- EA Coaching day, Thanks, especially to Moira, for her skilled organisation, encouraging our archers to shoot strong,,,and straight!, and to members of our Senior Scottish squad who coached the development squad.
- EA Development Squad we couldn't have made the pentangle without you!
- EA Novice & Jr Showdown, Thank you to Lance and Phyllis
- Organising teams for Pentangle and Mid-summer shoot. All of our archers shot well at the pentangle against very strong teams from the North of England, DNAA and Cumbria. Again the standard was high at AGB county team championships, but our ladies compound team took the honours outright.
- Level 1 & 2 Coaching Courses, Thanks to Peter Lennon and Martin Symonds for leading the courses and for Support for the archers.

Thanks is also to go to the Coaches and Club committee members across EA who dedicate time to working within their clubs supporting archers at all levels.

Archery remains a sport which is increasing in popularity and EA clubs are actively running beginners courses and promoting the sport. In the last 12 months a number of new Level 1 coaches have passed their qualification and a Level 2 course is underway.

It had been great to see EA archers representing Scotland and GB this year, and we would like to offer our congratulations to them- Especially to Victoria Barby for her team Bronze Field Medal and to Nathan McQueen for an inspiring performance in the Paralympics. Hope Greenwood was second in the British target championships in Ladies compound and Joanna Meyer third in ladies recurve.

It also should be noted that six of the eight members of the Scottish team for the indoor Home nations match are from the East area, Good Luck to Jackie, Gareth, Hope, Stephanie, Harrison and Alastair. Joe Seez and Tommy Witton will represent Scotland in the junior event.

Hopefully the development and coaching EA is putting on will form the basis for this to continue.

I would like on behalf of the area to thank the committee for their hard work over the year and also to thank Martin Symonds for his effort as he steps down from his post.
