If you do not have these 3 scores, but wish to be considered for either team please get in touch detailing your scores / circumstances and we will consider the request.

The Area will cover entry fees for both the County Team Shoot, and for the “Pentangle”, however arranging travel and accommodation is down to the team members themselves.

The County Team Shoot will be on the 29<sup>th</sup>/30<sup>th</sup> June, with a team consisting of 3 archers for each category. The categories in which we can send teams are Recurve, Compound and Longbow. Teams must consist of three archers of the same sex. The weekend will require each member of the team to shoot a WA-720 followed by team head-to-heads (take a look at World Archery’s YouTube channel if you are unsure of what this involves) and then a WA-1440 on the next day.

The details of this years “Pentangle” have not yet been released to us, but will be passed on when available.
