

Hello,

On Sunday the 29th September the Northern Area will be holding a training workshop day at Denwood Target Shooting Centre, Aberdeen. This is aimed at senior and junior archers in the Northern Area who are interested in learning more about archery. To do this we are looking for coaches / helpers / volunteers who can help run this event. We are contacting all clubs in the area asking if there is anyone who would be willing to share their skills and knowledge.

It is not necessarily just qualified coaches, we are also looking for people who could run sessions on:

- Fletching
- Bow tuning & set up
- Mental management
- Shooting / coaching
- Indoor preparation
- String making
- Anything else you can think of

Travel expenses will be reimbursed and lunch will be provided.

If you have any questions or would like to volunteer, please get in touch by sending an email to NorthofScotlandArchery@gmail.com.
