

**West of Scotland Archery Association  
Indoor and Open Championship  
Non Record Status Portsmouth Round  
Sunday 17th April 2022**

It has been two years since recognised tournaments have been held in the West of Scotland. The WoSAA committee would invite all our members to prepare yourselves for tournament practice and be ready to kickstart the season.

As an encouragement, we will use association funds received during the previous two years to underwrite the competition and includes reducing WoSAA members entrance fees by 50 percent. This is within the scope of our constitution to make use of funds to support activities in the area on behalf of our members.

Additionally, we are lining up top coaches to attend and provide some wisdom on equipment and technique through a few short presentations to be held during interludes (lunch / finalising scores). Bring your notebooks to capture some insights for improving your game.

We are looking to provide a visual display highlighting our coaches in the West with qualifications, experience and clubs they support. We will register interest from any members who wish to take their Coaching Certificates and work to provide follow-up training sessions. Details of what is involved in the coach training can be given on the day.

We will provide visual display of all clubs in the Area with contact details, times of practice and their next scheduled beginner courses.

Offers are open for anyone interested in learning to be a judge or field captain to obtain coaching and experience on the day. I recommend you take the opportunity to learn the ropes of being a Field Captain under the guidance of a top judge.

I look forward to your participation and hope to see you there.

Respectfully,

Iain Macmillan  
President – West of Scotland Archery Association  
January 2022
