

SAA JUNIOR, U21 AND SENIOR NOVICE CHAMPIONSHIPS

Results of the 2015/16 championship hosted by Links archers
 Montrose Sports Centre- 25th October 2015
 Scottish record status - Portsmouth round

This year's tournament, the 12th year hosted by Links Archers, was one of the best turn outs in several years with all available places filled. A record number of 25 categories were competed for and 3 scottish records broken. The new style score sheets were mostly filled in correctly and any feedback on them would be appreciated. There were, on post tournament checking, 15 scoring errors but non affected the awards, although one archer did sign for 111 points less than they shot. I hope everyone enjoyed the day and I look forward to next year which will probably be the last hosted by Links Archers as the tournament goes out to tender for 2017-8.
